STATINTL

STATINTL

Since March 1965, you have served as a senior consultant to the Psychiatric Division of the Office of Medical Services of this Agency. With a distinguished background in psychiatry and psychoanalysis, you have assisted the Agency during a period of turbulence and change. You have been a major influence in our staff's consideration of disaffection and other subjects through the years, not only through your visits and consultations, but also through your published articles.

On the occasion of your approaching retirement from active practice, may I take this opportunity to thank you for your contributions to the Central Intelligence Agency and to wish you all good health and every happiness in the years to come.

Sincerely,

7s7 William J. Casey
